

Retirement Plan Distribution Request Form

Customer Instructions, Terms and Conditions

The attached Retirement Plan Distribution Request Form ("form") should be used to request a distribution(s) from your Retirement Plan Account ("PSRP Participant Account") or Retirement Plan Beneficiary Distribution Account ("PSRP-BDA" together with PSRP Participant Account, "PSRP Account") or to change an existing periodic distribution plan. If you wish to request a distribution from more than one PSRP Account, you must complete a separate form for each PSRP Account.

Please read these Customer Instructions, Terms and Conditions carefully before completing the attached form. You are responsible for complying with IRS rules governing retirement plan distributions including Required Minimum Distributions. If you fail to meet any IRS requirements regulating retirement plan distributions, you may be subject to tax penalties. If you have any questions regarding your specific situation, please consult with your tax advisor.

Please read the attached special tax notice for more information on the tax consequences of certain plan distributions/payments.

In general, distributions to married participants from all Money Purchase Plans and certain Profit Sharing Plans must be made in the form of a Qualified Joint and Survivor Annuity ("QJSA"), or if a participant dies before distributions under the Plan have begun, in the form of a Qualified Pre-Retirement Survivor Annuity ("QPSA"), unless the participant's spouse waives the annuity requirements in writing. Please consult your tax advisor for more information.

If this distribution is being made from an inherited Money Purchase Plan account, then the distribution options outlined below are only available if the participant elected out of the QJSA or QPSA and, if married, obtained written spousal consent to the waiver. Please contact the Plan Administrator to determine if any waivers were made. If the plan participant was unmarried, then the QJSA/QPSA requirements do not apply.

If the distribution is being made from an inherited Profit Sharing Plan account, then the QJSA/QPSA requirements do not apply if both of the following are met:

- (1) the plan participant elected not to receive distributions in the form of a life annuity,
- (2) the plan participant's spouse takes the distribution within 90 days following the date of the participant's death.

For full distributions, a \$75 liquidation/termination fee and a final year annual maintenance fee, if applicable, as described in your Premiere Select Retirement Plan Account Application or in some other manner acceptable to the Trustee, if applicable, will be collected from the final distribution amount.

If you have any questions, please consult your Broker, Financial Advisor, or Investment Professional ("investment representative").

- Write your account number in the boxes in the upper right-hand corner of the form.
- If changing/establishing a periodic distribution plan please check the appropriate box. If you are changing an existing periodic distribution plan that is one of multiple periodic distribution plans for the PSRP Account indicated on the form, please attach a letter of instructions identifying the specific plan you wish to change.

1 Retirement Plan Information

Please provide the name of the Plan and Plan Administrator and indicate the plan type. If you have both a Money Purchase and a Profit Sharing Plan, you must complete a separate distribution request form for each plan type.

2 Participant/Beneficiary Information

Please complete this section as appropriate.

3 Reason for Distribution

Please indicate the reason for this distribution, choosing only one. Distributions from a PSRP Account are only permitted when a participant attains age 59½, separates from service, is disabled, if the plan is terminated, or due to death if the PSRP Account is a beneficiary distribution account. If one of these triggering events does not occur, then the distribution cannot be processed. Distributions for any other reasons can result in plan disqualification.

If you are a participant and are under age 59½ and you request a distribution, your distribution will be taxed as ordinary income and may also be subject to a 10% early distribution penalty. Please consult your tax advisor for details.

If you wish to take death distributions from inherited Retirement Plan assets you must first transfer the assets to a PSRP-BDA, and then take the death distributions from the PSRP-BDA. If you wish to request a transfer pursuant to a divorce of the Retirement Plan participant, do not complete this form. Please contact your investment representative for additional instructions.

4 One-Time Distribution Instructions

Choose one of the 4 options listed.

Option A. Partial Distribution in Cash The distribution will be paid from the balance in your core money market mutual fund account. Please provide a specific gross dollar amount to be distributed and select one payment method in Section 9.

Option B. Partial Distribution In-Kind* Please provide the security name(s) and share/unit amount(s) to be re-registered into your non-retirement brokerage account and provide the account number in Section 9A. If more space for investment information is needed, please list the information requested on the form along with your name, account number and Tax Identification/Social Security number on a separate sheet of paper, sign and date it and attach it to the form.

Option C. Full Distribution* (Distribution of your entire PSRP Account balance) Please select the appropriate payment method(s) in Section 9. Distributions made in cash will be made from your core money market mutual fund account ("core account"). It is your responsibility to ensure there are sufficient funds available in the core account to process the distribution. For a full distribution, if there are insufficient funds available in the core account, the distribution may not be processed. If you are requesting all or a portion of your full distribution be made in-kind, provide your non-retirement brokerage account number in Section 9A.

Option D. Direct Rollover (Not available to Non-Spouse Beneficiaries) Required Minimum Distributions, after tax contributions, certain substantially equal periodic payments, and death distributions (PSRP-BDA distributions) are not eligible for rollover. If the distribution is to be rolled over to a Premiere Select IRA, please provide your Premiere Select IRA Account number, or attach an application to establish a new Premiere Select IRA. To roll over assets from your PSRP account to an IRA held by another Custodian or to another employer sponsored retirement plan, you must provide the name of the Custodian or Trustee, as applicable.

* Note: Certain securities may only be issued in specified denominations.

5 Fidelity Fund Core Account Accrued Dividend Instructions

For a full one-time distribution, if your core account is a Fidelity fund, and if you choose payment method B or C in Section 9, the accrued dividend on your Fidelity fund core account for the month in which the full one-time distribution occurs ("accrued dividend"), will also be distributed to you. Unless you are requesting that your distribution payment be sent to you via overnight mail, you may request that the accrued dividend be included in the distribution check or paid in a separate check. If you choose to have the accrued dividend paid in a separate check, please provide payee instructions. If you do not provide instructions in Section 5, or if your distribution is being sent to you via overnight mail, your accrued dividend will be paid to you in a separate check and mailed to your mailing address of record.

6 Periodic Distribution Instructions

Choose one of the 4 options listed.

Option A. Fixed Amount per Period Specify the dollar amount to be distributed each period.

Option B. Fixed Period Indicate the number of years over which you wish to deplete your PSRP Account. The amount of each payment will be calculated by dividing the total PSRP Account balance by the remaining number of payments. For PSRP Participant Accounts, each payment will be calculated based on the total balance of your account up to four days before the distribution is scheduled. For PSRP-BDA, each payment will be calculated based on your prior year end total balance.

Retirement Plan Distribution Request Form

Customer Instructions, Terms and Conditions

Option C. Required Minimum Distribution (RMD) – (Not available to PSRP-BDAs) Your RMD, including a first year RMD that is being deferred to April 1 of this year (if applicable), will be calculated using either the uniform distribution table or the joint life expectancy table (for spousal exceptions only – see below), as applicable.

RMD Spousal Exception: You may elect the spousal exception if your sole designated beneficiary for the entire distribution calendar year is your spouse who is more than 10 years younger than you. If you elect the spousal exception, your RMD will be calculated based on your and your spouse's joint life expectancies. **Important:** If the beneficiary designation on file with NFS indicates that you do not qualify for the spousal exception, your RMD will be calculated using the uniform distribution table.

If you wish to include last year's 12/31 market value of an outstanding rollover, transfer, or recharacterization in the RMD calculation, please provide the amount.

Notes:

- RMD calculations will only include your PSRP Participant Account indicated on the form. If you maintain more than one PSRP Participant Account and/or retirement plan accounts at other institutions, you are required to calculate and satisfy your RMD for each account separately.
- If you are establishing your periodic distribution plan mid-year, your entire RMD for the current year will be paid out evenly over the remaining number of scheduled payments in the year.
- If you would like your distribution amount adjusted for distributions already taken within the applicable distribution year, you must notify NFS in writing of the date(s) and the distribution amount(s) already taken.
- If you change your beneficiary designation at any time during the year by submitting a properly completed Premiere Select Retirement Plan Beneficiary Designation Form, you must inform NFS of the change, including the impact of such change to the requested RMD calculations by submitting another properly completed Premiere Select Retirement Plan Distribution Request Form and your RMD amount may increase or decrease. If you fail to instruct NFS as to the impact of any beneficiary change, subsequent distributions in your payout plan may not satisfy your RMD requirements. Consult with your tax advisor to determine how a beneficiary change may affect your RMD amount.

Option D. Life Expectancy Distributions – (For PSRP-BDAs ONLY) – Life expectancy distributions from a PSRP-BDA are not an RMD calculation service. If you are establishing a periodic distribution plan to satisfy your RMD, please consult with your tax advisor to ensure that the plan you establish, including the life expectancy information you provide, is applicable to your specific situation and satisfies your RMD requirements. If you do not indicate the life expectancy to be used to calculate the distribution, your distribution will be calculated based on your single life expectancy. If you choose to have your payments based on another individual's life expectancy, you must provide that individual's date of birth. Additional paperwork may be required; please check with your investment representative.

If you are a spouse beneficiary, the annual payment amount will be calculated based on your single life expectancy based on your age in each distribution calendar year. If you are a non-spouse beneficiary the annual payment will be calculated based on your current single life expectancy, which will be reduced by one year for each remaining calendar year distribution.

Distributions will be paid in equal installments in accordance with the payment frequency selected in Section 7.

7 Frequency of Periodic Distribution Payments

- Periodic distributions will not be permitted more often than once per month.
- Your periodic distribution plan will be activated in accordance with your instructions approximately seven (7) business days after this form is received in good order, by the Trustee. Please keep this in mind when providing the beginning date.
- The beginning date cannot be greater than one year from the date of receipt of this distribution request by the Trustee. If no beginning date is provided, payment(s) will begin on the payment date following approximately seven (7) business days after the form is received, in good order, by the Trustee.
- If no payment frequency is provided, payment(s) will be made annually in December.
- The payment day must be the same day for each payment period. If no payment date is provided, payment(s) will be made on the 20th day of the month(s).
- Periodic distribution payments scheduled to be paid out in December may result in your distribution being processed prior to the date selected to help ensure that your distribution is processed prior to year end.

8 Funding Your Periodic Distributions

Your periodic distribution payments will be made based on the funding instructions you provide in this section of the form. If you do not select either option A, B, or C, then payments will be made by liquidating assets from your core money market mutual fund only (option A). If more space for investment information is needed, please list the information requested along with your name, account number and Social Security/Tax Identification number on a separate sheet of paper, sign and date it and attach it to the form.

- Periodic distributions can be made from money market mutual fund and certain other mutual fund positions only (check the fund's prospectus to see if systematic withdrawals or periodic distributions are permitted); any other securities/positions in your PSRP Account cannot be used to directly fund your periodic distribution plan.
- NFS will place liquidating trades for the requested dollar amount of the scheduled distribution. Trades will be placed up to four business days prior to the scheduled date of distribution to allow for trade settlement.
- Back-end loads, redemption fees or transaction fees may result in insufficient funds to process the requested distribution.
- Certain mutual funds may be closed to new investors. If one of these funds is subject to your distribution instructions, please be aware that your position could be fully liquidated, and this would prohibit you from future investments in the fund.

Contingent Funding Options

You may select a contingent funding option to be used if there are insufficient funds available in one or more of the money market mutual funds and/or other mutual funds selected in the Funding Options Section. If you do not select either option A or B, then your contingent funding option will be to distribute from your core money market mutual fund only.

A. Any money market mutual fund position – By checking this box, if there are insufficient funds in your core money market mutual fund, you are instructing the Trustee to make the distribution by liquidating assets from your other money market mutual fund positions in the same PSRP Account, beginning with the money market mutual fund position with the lowest balance.

B. Any money market and then other mutual fund positions – By checking this box, if there are insufficient funds in your core money market mutual fund, you are instructing the Trustee to make the distribution by liquidating assets from your other money market mutual fund positions in the same PSRP Account, beginning with the money market mutual fund position with the lowest balance. If there are insufficient funds in your other money market mutual fund positions, you are instructing the Trustee to make the distribution by liquidating assets from your other mutual fund positions in the same PSRP Account, beginning with the mutual fund position with the lowest balance.

If two eligible positions have identical balances, the liquidation will be made from the fund with the lowest CUSIP number.

Important Note: Distributions made in cash will be paid from the balance of your core account. It is your responsibility to ensure there are sufficient funds available in the core account to process the distribution(s). If there are insufficient funds available to process the distribution(s) in accordance with the Funding Options and/or Contingent Funding Options you choose, National Financial Services LLC ("NFS") will generally attempt to process your requested distribution each day for the next 15 business days. Generally, if there are insufficient funds available by the expiration of that 15 business day period, the requested monetary distribution for that period will not be processed.

9 Payment Method

You must complete this section for either a One-Time cash distribution (partial or full) or for Periodic distributions.

If no payment method is selected, your cash distribution(s) will be made by check and sent to your mailing address of record (payment method Option B).

A. Cash and/or In-Kind Distribution to your Non-Retirement Brokerage Account If you want cash and/or securities distributed to your new or existing non-retirement brokerage account, please check this box and provide your account number. An application must be completed to establish a new non-retirement brokerage account.

B. Mailed to your Address of Record Checks will be mailed to the mailing address of record on your PSRP Account.

C. Paid and/or Mailed to an Alternate Address If you want checks paid to a payee other than the PSRP Account owner and/or mailed to an address other than the mailing address of record, check this box and provide complete alternative payee and/or alternative address information.

Retirement Plan Distribution Request Form

Customer Instructions, Terms and Conditions

If you wish to have your distribution check mailed to you via overnight delivery (ONLY available for One-Time distributions using payment method B or C), please provide the carrier's name and the billing number. If this information is not provided or is not in good order, your check will be sent via regular mail.

D. Directly Deposited to your Bank or Credit Union Account, Using Electronic Funds Transfer (EFT) If you would like the distribution(s) to be deposited directly to your bank or credit union account via EFT you must have EFT instructions on your account. If your account is not currently set up for EFT, please note that it will take up to 14 days to establish EFT instructions. To add EFT instructions, complete the **Bank Information** section or attach a voided check. Once EFT is established, please allow 2-3 days after the date the distribution is processed for funds to reach your bank or credit union. In order to send your distribution via EFT the recipient bank must be a member of the Automated Clearing House.

E. Wire to your Bank Account (For one-time distributions ONLY) To request a distribution to be paid by wire, check this box and complete the **Bank Information** section or attach a voided check. In order to send your distribution via wire, the recipient institution must be a member of the Federal Reserve System.

A wire processing fee of \$15 will be deducted from the distribution amount indicated on this form and will affect your reported distribution amount. For example, if you request a distribution of \$1,000, both the distribution amount wired to your bank account and the distribution amount reported on IRS Form 1099-R will be \$985. Your bank may also charge a fee for receipt.

10 Notice of Withholding – Please read carefully before completing this section of the form.

NOTE: Withholding does not apply to Direct Rollovers.

20% Withholding — IRS regulations require us to withhold federal income tax at the rate of 20% from your Premiere Select Retirement Plan distribution(s) that is (are) eligible to be rolled over if the distribution(s) is (are) not directly rolled over to another eligible retirement plan or to an IRA. Generally, distributions that are not subject to this withholding include: distributions of certain substantially equal periodic payments made over ten or more years and Required Minimum Distributions. Please refer to the Special Tax Notice for additional information.

10% or Wage Table Withholding — If the distribution is not considered an eligible rollover distribution, the mandatory 20% withholding does not apply. Instead, your distributions are subject to federal income tax withholding at a rate of 10% for one-time distributions and at a rate based on IRS wage tables for periodic distributions unless you elect not to have withholding apply. Withholding will apply to the gross amount of each distribution, even if you have made non-deductible contributions. Moreover, failure to provide a U.S. residential address will result in 10% withholding on the distribution proceeds even if you have elected not to have tax withheld (an IRS requirement). A Post Office Box does not qualify as a residential address.

If federal income tax is withheld from your distribution, state income taxes may also be withheld. Your state of residence will determine your state income tax withholding requirements, if any. Your state of residence is determined by your legal address of record provided for your Premiere Select Retirement Plan account.

Residents of IA, KS, MA, ME, OK, PR¹, VA and VT: If federal income tax is withheld, state income tax of at least your state's minimum requirements must be withheld in addition to federal income tax withholding at the time of your distribution. If you elect out of federal income tax withholding, state income tax will not be withheld unless you indicate otherwise.

¹Applicable to residents of PR taking Periodic Distributions **ONLY**. If you are a resident of PR and are taking a One-Time Distribution please see **Residents of all other states and the District of Columbia** below.

Residents of CA, DE, GA², NC and OR: If federal income tax is withheld, state income tax of at least your state's minimum requirements must be withheld in addition to federal income tax withholding at the time of your distribution unless you elect not to have state income taxes withheld.

²Applicable to residents of GA taking Periodic Distributions **ONLY**. If you are a resident of GA and are taking a One-Time Distribution please see **Residents of all other states and the District of Columbia** below.

Residents of AK, FL, HI, MS, NH, NV, SD, TN, TX, WA or WY: State income tax withholding is not available on your Premiere Select Retirement Plan distributions. Please consult your tax advisor, state agency, or investment representative for more information.

Residents of all other states³ and the District of Columbia other than those noted above: You are not subject to mandatory state income tax withholding; however, you may elect voluntary state income tax withholding in a percentage. If you elect to have state income taxes withheld and your state provides a minimum amount or percentage for withholding, you must elect a percentage that is not less than your state's minimum withholding requirements. If the percentage you elect for withholding is less than your state's minimum withholding requirements, your state's minimum amount or percentage will be withheld.

³Includes residents of GA and PR taking One-Time Distributions.

Whether or not you elect to have federal, and if applicable, state income tax withheld, you are still responsible for the full payment of federal income tax, any state tax or local taxes, and any penalties which may apply to your distribution(s). Whether or not you elect to have withholding apply (by indicating so on the distribution request form), you may be responsible for payment of estimated taxes. You may incur penalties under the IRS and applicable state tax rules if your estimated tax payments are not sufficient.

If you are not a U.S. person (including a U.S. resident alien), you must submit IRS Form W-8BEN, Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding, with this distribution request form to claim tax treaty benefits, if applicable. To obtain Form W-8BEN, please consult your tax advisor or go to the IRS Web site at <http://www.irs.gov>.

A guarantee from a Notary Public is not acceptable.

12 Spousal Consent – For PSRP Participant Accounts Only

Distributions to married participants from all Money Purchase Pension Plans and certain Profit Sharing Plans must be made in the form of a Qualified Joint and Survivor Annuity unless your spouse waives the right by providing spousal consent in Section 12. Please refer to Article 8 of the Premiere Select Retirement Plan and Trust for details. A participant may waive a qualified joint and survivor annuity contract, and a spouse may consent to such waiver, provided it is within 90 days before the first plan distribution.
